To Whom It May Concern:

I'm writing to acknowledge my support and satisfaction with DigiClips, Inc. I have worked with Paula and her team for six years now. They have been incredibly responsive to the needs of our media measurement goals and continue to provide up-to-date support for our media plan.

What's most helpful is Paula's effort to stay competitive in her industry and provide her clients with new technologies and capture opportunities. Cost is always a consideration in these ventures and she works to keep these opportunities affordable.

Paula and her team also are responsive to my requests to work with my style and needs rather than have my company fit a certain "mold." She goes the extra mile to ensure my requests are fulfilled.

I'd be happy to talk to you about my experience with DigiClips personally. Feel free to contact me at 303-926-0334.

Sincerely,

Jacque Montgomery
Media Relations Supervisor
